Momento Limewash Effect

The water-based coating recreates the soft, mottled look of traditional limewash, offering a matt, velvety finish with subtle tonal variations — perfect for rustic or aged wall effects.

FEATURES

Uniquely refined and timeless effect

Good adhesion on primed surfaces

Easy to apply by sponge for artistic effects

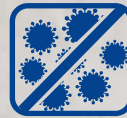

Suitable for interior applications

Low VOC

Low odour

Mould & fungus resistant

Free from Alkylphenol Ethoxylate (APEO) & Formaldehyde

Does not contain lead, mercury & heavy metals

RECOMMENDED PAINTING SYSTEM

1 coat of Odour-less Ultra 5102 Sealer

2 coats of Vinilex 5000 in selected colours

1 to 2 coats of Momento Limewash Effect

RECOMMENDED APPLICATION METHOD

✓ Apply with sponge in random sweeping strokes to create a limewash effect texture.

✓ Apply 1-2 coats for the desired depth & variation.

✓ For a softer, washed-out appearance, dilute slightly with clean water.

APPLICATION STEPS

Step 01:

PREPARE THE SURFACE

Clean off dust, dirt and loose particles.

Step 05:

APPLY FIRST COAT

Use a sponge, apply the limewash effect in a S strokes evenly, wait for it to dry in 1-2 hours.

Step 02:

PROTECTION

Covers floor and furniture.

Step 06:

APPLY SECOND COAT

Using the same technique, apply the second coat and wait for it to dry in 2-4 hours.

Step 03:

APPLY SEALER

Apply Odour-less Ultra 5102 Sealer with roller and wait for it to dry.

Step 07:

PROTECT THE FINISH

Consider applying a clear coat to protect from moisture and dirt.

Step 04:

APPLY BASECOAT

Apply two coats of Vinilex 5000 in the selected colours.

Step 08:

CLEAN UP

Clean the sponge and tray with water.

THEORETICAL COVERAGE

Covers up to 50-100m² / litre with sponge application for the Momento Limewash Effect, depending on surface texture, substrate porosity and method of application.

Momento Limewash Effect

Enjoy your freshly transformed space!
