SURFACE PREPARATION

01 REPAIR
Remove any loose, defective paint or powdery residue. Repair cracks and uneven surface with EasySkim 5000 All Purpose Joint Compound.

02 CLEAN
Thoroughly clean the area and let it dry completely. Ensure it is free from dirt, grease, and any other contaminants.

03 PAINT
Make sure all surfaces are completely dry before applying paint.

04 PROTECT
Finish with 1–2 coats of Momento® Clear Coat to safeguard your masterpiece against dirt and water.

Master the Technique

Learn what the terms below mean and how they bring your Momento® finish to your most beautiful home.

LIGHTLY PATCH *for* SUNSET HAZE

Lightly patch the paint using a trowel on the surface to blend the colours together.

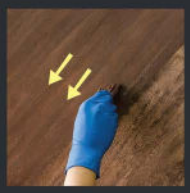

FINISH WITH *for* SUNSET HAZE

Apply the final layer with a trowel wet-on-wet and blend it smoothly to achieve the Sunset Haze finish.

GLAZED OVER *for* PEARLY SHELL

Once the surface has dried, glide the brush over the surface to bring out the pearly finish.

GLAZED OVER *for* RUST BOX

Once the surface has dried, gently brush over it to highlight the colour tones and bring out the shiny, metallic texture.
