

## **NIPPON PAINT PROFESSIONAL PAINTING SERVICE (PPS) GIVES BACK**

Nippon Paint is happy to introduce a new initiative, “**Professional Painting Service (PPS) Gives Back**” under our Corporate Social Responsibility Programme.

**PPS Gives Back** goes beyond providing just paint to the beneficiaries, but also offers the valuable painting skills and time of our Professional Painters. With this, we aim to truly show the beneficiaries how much we care in making their lives better with our expertise. To complete this transformation, new furniture / appliances will also be sponsored to these homes. This initiative serves as a hassle-free process for our beneficiaries as professionally trained applicators will wrap, move and protect all existing furniture before commencing work. Furniture will be subsequently re-instated after painting.

This cause will benefit the less privileged and elderly who have been wanting to improve their living conditions but lack the resources, time and labour to do so.

If you know of any beneficiaries, please fill in the application form attached and send it to [customer@nipponpaint.com.sg](mailto:customer@nipponpaint.com.sg).

Beneficiaries will be shortlisted and selected according to those who meet our criteria and have the greatest need and benefit.

We look forward to adding a splash of colours to these homes and giving them a no-fuss new look to make everyday living a better place to call home.

Thank you.

Best Regards,  
Daniel Tay
