JikiArt Stone Luxe is a luxurious, natural stone-like texture coating with near-zero VOCs, designed to replicate the beauty of natural stone textures. It enhances walls with unique stereographic effects and intricate color patterns, achieved through advanced multi-coat spraying and rolling techniques. With its low odor and user-friendly application, this versatile solution is ideal for a wide range of shapes and surfaces. A key advantage of JikiArt Stone Luxe is its lightweight material compared to traditional stone products. It can be applied using a roller without the need for a compressor, ensuring flexible and effortless application for both interior and exterior spaces.
